

Biography Packages

Profile Biography

This package is the easiest way to capture the prominent stories of a life and present them in an inspiring motion picture. The interview can be of a single person, a couple, or someone close to the subject. Your completed Profile Biography will become a family treasure as the stories in it are handed down for generations to come.

Feature Biography

Our largest package produces a feature length biography that is long enough to limn all the events and stories that shape a life. Many people, especially couples, enjoy having four full interviews to tell their stories. Additional footage of locations and memorabilia is shot. Personalized historical archive footage is added to the production to add visual impact. Multiple interviews and historical footage make this package enjoyable to watch again and again. A Feature Biography from Biography Films is a priceless way to remember a loved one. 4 location shoots with a cinema camera and professional audio
